

Dear Pilot Families,

The New Year has certainly brought a lot of change and here is another! As the Coaching Staff and Executive Board mentioned in a general way early in the season, the fee that we as families have paid directly to the UT SAC in the past known as the “Con Ed” fee will not be charged in the future. The next payment would have been due January 18, 2008. We will no longer be paying the Con Ed fee to UT SAC.

However, we as a club will still have to pay for our pool rental. In the past, Con Ed fees were a way to pay a portion of pool rental. The club also paid pool rental on a monthly basis. Our club will continue to pay pool rental at a new rate to UT. So, as promised earlier, you will not be charged anymore than \$145 for each of the next two semesters. **We ask that you please pay the forthcoming payment of \$145 to PACK (similar to your dues payment) by March 14. You will each receive an invoice via email (the invoice will look similar to the Escrow invoices). The next payment of \$145 will be due in late April.**

As with other payments, it is very important to label your check on the memo line. In this case, please label it “Con Ed”. **You may mail your check to PACK, PO Box 10341, Knoxville, TN 37939 OR place it in the Luceon Folder at the UT SAC.**

Next swim season, we anticipate that the expenses for pool rental will be rolled into the annual dues payment. We do not know at this time what our rate of rental will be in the future so we are not yet able to project what dues will be next year.

Thank you for your cooperation and understanding during this time of transition.

Pilot Coaching Staff and Executive Board
