- Peggy Thomas, Cindy Rasnick and Kristin Toussaint are our Meet Worker Coordinators for the 2009/10 season. Worker sign ups will be available approximately 3 weeks prior to the upcoming home meet via the internet. The earlier you sign up, the greater the variety of jobs available.

At each meet, there will be a worker registration table for you to "sign in" when you arrive at the pool. This table will be located in the lobby of the Aquatic Center. It is your responsibility to make sure that you have signed in properly.

- If you are not able to work at the meets your children are swimming, it is **YOUR** responsibility to find someone to work for you, or you will be fined. For **each session** that you fail to work, your escrow will be charged **$50.00** and must be paid before your child will be entered into another meet; home or away. **We do not want your money… we want your help!** If you sign up to work a session and fail to show up to work that session, you will be fined $50.00. We hope that we don't have to collect any money from anyone this year. Pilot cannot run successful meets without 100% parent participation and we really do appreciate all that you do.
- Meet workers must be at least in the **9th** grade and **15 years** or older. Once again, these are "family" work requirements. Mom and dad, grandparents, aunts/uncles, nieces/nephews that meet the age requirements can also work for you.

- Each family will also be required to donate food items at each meet for our hospitality room. Our hospitality room provides food and relaxation to the coaches and officials, many who volunteer untold hours. These individuals not only work all the sessions, but many hours prior to the meet as well. Pilot Aquatic Club is known for its tradition of providing a first-class meal and snacks to these hard-working individuals.
